CAL OES MISSIONS

New/Ongoing Missions

- **2016-LAW-20870, 1/15/16, 2055 hours:** Placer County requested assistance in the search for a skier missing from the area of the Sugar Bowl Ski Resort near Donner Pass. Placer County had a general location of the missing person based on a “ping” from a cell phone, and were requesting 20 Type I personnel to search an area with heavy recent snowfall and snow slides. The request was for a search starting 0800 on 1/16. A Nordic team of 14 from Contra Costa County was in the area doing training. They agreed to commit to the search. Additional personnel were obtained from the National Ski Patrol, Northern California Unit. **Mission On Going**

New/Closed Missions

- **2016-LAW-20862, 1/15/2016, 1526 hours:** IERCC reported a SPOT activation at 35.87243, -116.61426, which plots to Inyo County, inside the Death Valley National Park. IERCC was able to make contacted with the reporting party via satellite phone. The party reported an injured off road motorcycle rider. IERCC had already notified the Park Rangers. I called the Park Rangers and confirmed that they had accepted the mission and had the needed resources. The Park Rangers had located the victim and were arranging medical transportation. No additional recourses were needed. **Mission Closed**

Mission:

We protect lives and property, build capabilities, and support our communities for a resilient California.

We achieve our mission by serving the public through effective collaboration in preparing for, protecting against, responding to, recovering from, and mitigating the impacts of all hazards and threats.
